Introduction

1. This document contains guidance notes for completing the Education Maintenance Allowance (EMA) Return 2019-20.

About the EMA returns

- 2. Under the EMA programme, colleges must submit two kinds of returns to SFC:
 - Monthly aggregate returns.
 - Annual aggregate return (collected in September) that contains individualised information on the students participating in the programme.
- 3. Each return serves two purposes:
 - Acting as a data return, giving information on the operation of the programme.
 - Acting as a claim form for payments relating to college activity under the programme.
- 4. Both returns allow reconciliation checks to be carried out and will be used to monitor the EMA budget.
- 5. Any queries or correspondence relating to the collection should be made to Michelle McNeill, email: mmcneill@sfc.ac.uk, tel: 0131 313 6662.
- 6. Any queries about claims should be made via EMA Returns, email: EMAreturns@sfc.ac.uk.

Annual aggregate return

- 7. The annual aggregate return is collected for the Scottish Government for reporting purposes.
- 8. Before you can make an individualised return, select the name of the college; the college field will automatically be filled with the college number.
- 9. We do not require student data for anyone that has not received a payment only student data for those who have received a payment.
